

Proposed Structural Modifications
in connection with the home occupation
at 83 Vesper St., Unit 1

- 1) The carpet in the proposed office and hall to be replaced with prefinished bamboo flooring. The approximate area is 160 sq. ft.
- 2) A utility sink to be installed in what is currently the hall closet between the office and the client's toilet.

Please contact me if you need further explanation.

Sincerely,

John Pitcher
