City of Portland Inspections Division,

We are pleased to present our application for a building permit.
The documents have been organized in the following manner, and attached to an e-mail message, sent to buildinginspections@portlandmaine.gov

Description	Name	Doc #	Doc Name
Permit Application Cover Page	BART	100	Cover
General Building Permit Application	BART	101	Application
Permit Application Checklist	BART	102	Checklist
Electronic Signature & Fee Payment Confirm	BART	103	Confirmation
Cross Sections with Framing Details	BART	201	Cross
Floor Plans/Elevations Existing & Proposed	BART	202	Plans
Stair Details	BART	205	Stairs
Deck Construction	BART	210	Deck
Plot Plan	BART	301	Plot
Plot Tax Map	BART	301	Plot Tax Map
Images	BART	500	Images

The project is to replace the rotted front steps with a new and expanded design, that will allow easy access to the side yard and provide a larger entry landing. We intend to upgrade to a Historically acceptable design using longer lasting materials and a more enduring style of construction.
