Other buildings on same lot none

Estimated cost $ 30 Fee $ .25

Description of Present Building to be Altered

Material frame No. stories 1 Style of roof pitch Roofing asphalt roofing

Last use Cottage No. families 1

General Description of New Work

To construct 3' dormer on north side of roof by removing a section of roof about 5' wide the entire width of the building, then reconstructing one side of the roof using 2x4 rafters about 18" from center to center, these rafters to be in the same plane as the present rafters on that side of the roof but to extend in all one length beyond the present ridge so as to give a new ridge for this 5' width somewhat higher than the present ridge. Then the other side of the dormer is to be filled in with glass

CERTIFICATE OF OCCUPANCY REQUIREMENT IS WAIVED

NOTIFICATION BEFORE LATHING OR CLOSING-IN IS WAIVED

It is understood that this permit does not include installation of heating apparatus which is to be taken out separately by and in the name of the heating contractor.
