RE: Natural Resources Protection Act Application, Portland
DEP #L-27017-4P-A-N/L-27017-2F-B-N

Dear Ms. Hagstrom:

Please find enclosed a signed copy of your Department of Environmental Protection land use permit. You will note that the permit includes a description of your project, findings of fact that relate to the approval criteria the Department used in evaluating your project, and conditions that are based on those findings and the particulars of your project. Please take several moments to read your permit carefully, paying particular attention to the conditions of the approval. The Department reviews every application thoroughly and strives to formulate reasonable conditions of approval within the context of the Department's environmental laws. You will also find attached some materials that describe the Department's appeal procedures for your information.

If you have any questions about the permit or thoughts on how the Department processed this application please get in touch with me directly. I can be reached at (207) 523-9807 or at david.cherry@maine.gov.

Sincerely,

David Cherry, Project Manager
Bureau of Land Resources
