Hi Ann,

Yes, this would be a revised permit app. We will get a check in the mail today for the $22.00 difference.

Thank you!

Patrick

> You originally applied for a permit on 3/5/13 to erect a 4' x 6' free standing sign that was 6' tall (#2013-00435). I spoke to you on 3/7/13 and informed you that the proposed location of the sign was not on the property where New England Imports is located. We left it that you would talk to the applicant and get back to me.

> Now you seem to be submitting a permit for a new sign - 5' x 7' & 14 feet tall located further back from St James Street on the property owned by New England Imports. You original permit has not expired; it has been on hold. You can submit this application as a revision to what you submitted originally and pay the difference in square footage - 35 sf - 24 sf = 11 sf x $2 = $22.
