

Accessibility Building Code Certificate

Designer: Travis Nadeau LEED AP BD&C, Maine Licensed Architect

Address of Project: 99 Beckett Street, Portland, Maine

Nature of Project: Renovate a portion of roof area into a roof deck, with associated
new interior stair, interior and exterior walls, and related doors and
windows.

The technical submissions covering the proposed construction work as described above have been designed in compliance with applicable referenced standards found in the Maine Human Rights Law and Federal Americans with Disability Act. Residential Buildings with 4 units or more must conform to the Federal Fair Housing Accessibility Standards. Please provide proof of compliance if applicable.
