E-mail:

Date: 01.14.14
Male ☐
Female ☒

Approximate Height To Threshold: 24"

Length Of Ramp Suggested: 25'

Proposed Configuration: switch back

Components Suggested: see attached sketch

Description of Site & Conditions: The lot is very small (45' wide) and the house is only 9 feet from the property line. The existing side door has no exterior stairs, and there appears to be a cross slope at the driveway which abuts to the neighbors driveway (see orange line).
