Re: 85 Avalon Road

Dear Mr. Campbell:

October 2, 1981, a building permit was applied for by you to construc breezeway between dwelling and a garage. This permit was never issue

While inspecting the area, it has come to our attention that the garage has been changed to a dwelling unit. This use is in violation of the Building and Zoning Codes.

It is necessary that you contact this office and talk with the Chief of Inspection Services, Mr. Hoffses, not later than February 14, 1983.

Sincerely,

Hubert Irving
Code Enforcement Officer
