Good morning

Attached is the original application

Would you like the current deed or should we just send the new deed after Wednesday closing

We will not be building the deck. Would you like us to put a x thru it and resend?

Thank you

Jim

Thanks Jim.

I can just make an annotation on the plan that the deck is no longer proposed, if you are OK with that.

Yes, I'm fine if you just send me the new deed after the closing. Please make sure to e-mail me a recorded copy.

Please note that the sprinkler permit application should be submitted separately (it needs to be logged in as its own permit) to permitting@portlandmaine.gov

Thanks,
Chris

Hi Chris

Absolutely no problem stating the deck is no longer proposed. Thanks

I also sent the applications to permitting.

As soon as I receive a recorded deed so will you

Thanks

Jim
