Tori,

May I get an email response from you indicating that we spoke and I sent you an email with the plan that you accepted? You indicated that I do not need to attend the court date because we have an agreed plan.

Thank you,

Lynne Panico

I spoke with you this morning regarding my plan to remedy the lack of fire doors on common means of egress in my three family building. I have the doors ready for installation and the contractor is planned to start on August 1st. The completion date should be no later than August 31st. Once the doors are installed, I will notify you that my building will be ready for a compliance inspection.

Thank you,
