To Whom It May Concern,

Bainco International Investors, an SEC Registered Investment Advisor, is a wealth manager for high net worth families. The Marr family has been a client for 16 years, and through that period we have been exposed to their execution of several significant business projects. We can certainly attest to the fact that the Marrs have the liquid resources for the funding of this project.

I am happy to answer any questions should arise. Please feel free to email me at apsyhogeos@bainco.com or call me at 617-986-5148.
