**AGREEMENT  
RE: REAL ESTATE TAXES AND UTILITIES**

Closing Date      **February 28, 2017**  
Property            **36 O'Brion Street, Portland, ME 04101**  
Buyer(s)           **Robert K. Knake and Elizabeth Belden Knake**  
Seller(s)           **Dolores M. Wilhoite and Robert W. Wilhoite**

The above parties agree that (unless the parties have made some other specific arrangements) Seller is liable for all taxes and utility bills up to and including the date of closing and municipal betterments assessed up to and including the date of the Purchase and Sale Agreement, Buyer is liable for all taxes, utility bills and betterments after the date of closing. So that the charges are paid in an orderly manner the parties agree to and acknowledge:

Real estate taxes have been adjusted or otherwise accounted for in the following manner:

- A. The parties agree to adjust the real estate taxes by themselves outside of the closing, without involving the bank or the closing attorney.
- B. The tax rate has been set, the amount of the taxes is known and the taxes have been adjusted at the closing. If the adjustment is incorrect due to misinformation or clerical error the parties agree to readjust the taxes in accordance with the corrected information obtained.
- C. The amount of the real estate taxes on the above property is not known at this time. The taxes have this day been apportioned to the best judgment of the parties. The parties hereto agree to reapportion the taxes when the actual tax bill is issued. If the bill is in excess of the amount as apportioned this day, the Seller agrees to pay to the Buyer such portions of the same as the apportionment would show to be due by them and the Buyer agrees that if the tax bill is less than the amount as apportioned this day the Buyer agrees to pay to the Seller that portion of the taxes which had been paid by the Seller in excess of the amount that they should have paid.
- D. (other)

It is understood that real estate tax bills will not be in the name of the Buyer for approximately one year. Seller will forward any tax bills received to the Buyer. However, Buyer acknowledges that Buyer is primarily responsible for knowing when taxes are due and obtaining a tax bill from the Seller or directly from the Tax Collector's office. Buyer will pay interest and penalties if assessed.

--Continued--

Utilities and Similar Liens:

Water, sewer and possibly gas and electric charges due to the City or Town should appear on the Municipal Lien Certificate if a Certificate is available at the closing. However, the figures shown on the Certificate are frequently out of date (the figure shown has already been paid and a new monthly bill has been issued). Also amounts due for water, utilities (either public or privately owned), oil, taxes, including water or fire district taxes, and any other charges are based on figures supplied by the municipality, agency, real estate broker, buyer or seller. The parties understand that these figures may be estimates. Due to this lack of certainty the items referred to in this paragraph have not been adjusted. The parties agree to make these adjustments between themselves without involving the lending institution or closing attorney. However, if an exact figure is available or the parties can obtain an exact figure within a reasonable time after closing, those figures will be included at the option of the parties.

The Buyer and Seller in consideration of the purchase and sale of the property each promise and guarantee to the other that they pay any sums for which they are responsible.

The Buyer and Seller each agree to supply the other with a forwarding address for future correspondence.

The Buyers, Borrowers, and Sellers jointly and severally and for good and valuable consideration, agree to execute and deliver to Two Lights Settlement Services, LLC whatever additional documents or amendments to existing documents, which are reasonably required to effectuate the transaction provided such additional documents are prepared by said closing attorney and do not in any way adversely affect, or otherwise enlarge the liability of, any of the undersigned relative to said transaction.

Tax and Mortgage Payoff Information

The undersigned Seller(s) have been informed and understand that the settlement agent is relying on information provided by the appropriate municipality concerning municipal liens and by the lending institution(s) with regard to any outstanding mortgages. The undersigned Seller(s) shall remain liable to the settlement agent in the event that any of said information is incorrect and as a result the full amount owing to said municipality and/or lending institution is not collected from said Seller(s).

A Loan Policy of Title Insurance which insures the title to the property that you are buying or refinancing is being issued to your mortgage lender, but that policy does not protect your interests in the property against many adverse, and possibly unknown, title claims and risks.

You may obtain an Owner's Policy of title insurance which provides title insurance coverage to you. The additional cost to you for an Owner's Policy of title insurance in the amount of \$500,000.00 is \$1,750.00 if you request it at this time.

If you are uncertain as to whether you should obtain an Owner's Policy of title insurance, you are urged to seek independent advice.
