Christina,
Can you tell me where the sign off for Summer Feet is? Norm has his end all wrapped up. I would like to allow him to get set up by next week. Thx

Is there a lease yet, or can I get an e-mail like we got for the ice cream kiosk, verifying that there is/will be city permission to place the structure?

Christina,

There is a lease, the fees have been paid, insurance has been provided. Therefore I am fine with moving this project forward. Micheal Goldman will forward the signed executed lease upon his return.

Please see the attached Conditional Use Application plan, indicating the location of the temporary structure for Summer Feet.

Upon this memo I'll inform Summer Feet that they can move forward with getting the container in place. Let me this is an issue. According to city records, the check has been deposited. Summer Feet has know paid in full 8 10/31/16.

Thanks
