Good evening. The tents sizes are 40x80 and 20x30. Yes, we will have people taking yoga classes underneath them during various times of the day. We will not have sides on the 20x30 tent and we will only put up one sidewall in the larger 40x80 tent. Please let me know if you need anything else.

Thank you,

Please provide answers for the following:

How big are the tents?

Will they be occupied by people?

Will there be sides on the tent?

Thank you
