Current Use (i.e. single family) Commercial Building						
If vacant, what was the previous use? Ut	oh <u>olsterer</u>					
Proposed Specific use: Winery						
Is property part of a subdivision? If yes, p	lease Name	_				
Project description: Change use to winery. The drain has been installed and final inspection performed by city inspectors. Additionally, two permanent partition walls were built. No Inspection performed to date. Lessee unaware that a non weight bearing wall needed city inspections/permit. Need to install 2 bay sink and hose station						
Who should we contact when the permit is ready: Chris Gamble						
Address: 28 Brookside Ave						
City, State & Zip: South Portland, ME 04106						
E-mail Address: c11gamble@gmail.com						
Telephone: 207-671-1154	.1. 1		1' 11 1 1	1	E 4	

# Please submit all of the information outlined on the applicable checklist. Failure to do so causes an automatic permit denial.

In order to be sure the City fully understands the full scope of the project, the Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Department of Permitting and Inspections on-line at <a href="https://www.portlandmaine.gov">www.portlandmaine.gov</a>, or stop by the office, room 315 City Hall or call 874-8703.

I hereby certify that I am the Owner of record of the named property, or that the owner of record authorizes the proposed work and that I have been authorized by the owner to make this application as his/her authorized agent. I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in this application is issued, I certify that the Code Official's authorized representative shall have the authority to enter all areas covered by this permit at any reasonable hour to enforce the provisions of the codes applicable to this permit.

# Commercial Interior & Change of Use Permit Application Checklist

All of the following information is required and must be submitted. Checking off each item as you prepare your application package will ensure your package is complete and will help to expedite the permitting process.

#### One (1) complete set of construction drawings must include:

Professional and bear their seal.
Cross sections w/framing details
Detail of any new walls or permanent partitions
Floor plans and elevations
Window and door schedules
Complete electrical and plumbing layout.
Mechanical drawings for any specialized equipment such as furnaces, chimneys, gas equipment,
HVAC equipment or other types of work that may require special review
Insulation R-factors of walls, ceilings, floors & U-factors of windows as per the IEEC 2009
Proof of ownership is required if it is inconsistent with the assessors records.
Reduced plans or electronic files in PDF format are required if originals are larger than 11" x 17".
Per State Fire Marshall, all new bathrooms must be ADA compliant.
Separate permits are required for internal and external plumbing, HVAC & electrical installations.
For additions less than 500 sq. ft. or that does not affect parking or traffic, a site plan exemption should be filed including:
The shape and dimension of the lot, footprint of the existing and proposed structure and the
distance from the actual property lines.
Location and dimensions of parking areas and driveways, street spaces and building frontage.
Dimensional floor plan of existing space and dimensional floor plan of proposed space.

A Minor Site Plan Review is required for any change of use between 5,000 and 10,000 sq. ft. (cumulatively within a 3-year period)

#### Fire Department requirements.

The following shall be submitted on a separate sheet:
Name, address and phone number of applicant <b>and</b> the project architect.
Proposed use of structure (NFPA and IBC classification)
Square footage of proposed structure (total and per story)
Existing and proposed fire protection of structure.
Separate plans shall be submitted for
<ul><li>a) Suppression system</li><li>b) Detection System (separate permit is required)</li></ul>
A separate Life Safety Plan must include:
<ul> <li>a) Fire resistance ratings of all means of egress</li> <li>b) Travel distance from most remote point to exit discharge</li> <li>c) Location of any required fire extinguishers</li> <li>d) Location of emergency lighting</li> <li>e) Location of exit signs</li> <li>f) NFPA 101 code summary</li> </ul>
Elevators shall be sized to fit an 80" x 24" stretcher.

For questions on Fire Department requirements call the Fire Prevention Officer at (207) 874-8405.

Please submit all of the information outlined in this application checklist. If the application is incomplete, the application may be refused.

In order to be sure the City fully understands the full scope of the project, the Planning and Development Department may request additional information prior to the issuance of a permit. For further information or to download copies of this form and other applications visit the Inspections Division on-line at <a href="https://www.portlandmaine.gov">www.portlandmaine.gov</a>, or stop by the Inspections Division office, room 315 City Hall or call 874-8703.

Permit Fee: \$25.00 for the first \$1000.00 construction cost, \$15.00 per additional \$1000.00 cost

This is not a Permit; you may not commence any work until the Permit is issued.
