Hi Chris,

1. I will have the tenant forward a copy of the lease to you directly. His name is David Redding, and he is cc'd on this email. (David – please provide a copy of the lease agreement to Chris per her comment below)
2. The kitchen does not have any commercial cooking appliances in it. There is a hand wash sink (existing) and a new triple sink for glass washing to meet health codes. In hindsight, I should have named this area “Glass Washing”.
3. No food will be prepared on site for the public.

Let me know if you have any other questions.

Thanks,

Mike
