Hi Janice,

The winery license request is approved by zoning. Permit #2014-00580, issued 12/12/14, approved a change of use to winery with tasting room and retail space. In the I-Lb zone they are limited to 16 hours of events (music) per week.

Payment is still pending on their outdoor dining permit but it will be fine with zoning once it gets reviewed and approved. Do you need a follow-up from me when the outdoor dining permit is actually approved?

Thanks,
Chris
