Doug

Thank you for the paving plan (as attached) which I received yesterday. I have circulated it for review and will get back to you asap.

In answer to the questions you noted on the post-it note:

1. Signs: I have asked Tom Errico to specify the signs that he has in mind and will forward that information as soon as I receive it. Tom will show you or a contractor where to place the signs on site.
2. Striping: Please contact Tom Errico (he is cc'd on this e-mail) to arrange to meet at the site and he will provide guidance on the striping (it is described in some detail in the decision letter too).

It would help us to complete any necessary reviews faster if you e-mail me any future submissions as a pdf, as all our reviews are now done on the computer and many of the reviewers are not in City Hall.

thank you
Jean
