Subject: July 21 meeting

Dear Jean,

Thank you again for setting up yesterday's meeting. I'm grateful to you and your colleagues for taking the time to share information about the 122 Anderson St. proposal. I trust that you will consider the concerns raised and make favorable decisions/conditions that prioritize pedestrian safety and maintain the integrity of our vision for East Bayside.

Sincerely,

Michele Castner
86 Anderson Street
Portland, ME 04101
