Hi Chris.

Thank you for this information.

I have previously spoken with Mike Cardente and was informed by him about the details of this request. I am a resident of East Bayside and a frequent visitor to Coffee By Design. These parking spaces are quite precious for this business and its patrons. Since all the parties impacted by this property are in agreement with its current status and use, I add my wholehearted support for this variance request.

Please submit my comments to the zoning board for tonight's meeting, as I will not be able to attend in person.

Thank you!
