Note: R-6 zone Interior renovation only - no expansion		Ok to Issue: <input checked="" type="checkbox"/>		
Conditions:				
1) This property shall remain a single family dwelling. Any change of use shall require a separate permit application for review and approval.				
2) This permit is not approving any lot coverage or setback requirements for the existing structure. It is approving interior work only.				
3) Separate permits are required for any electrical, plumbing, sprinkler, fire alarm, HVAC systems, heating appliances, including pellet/wood stoves, commercial hood exhaust systems, fire suppression and fuel tanks. Separate plans may need to be submitted for approval as a part of this process.				
4) This is being issued with the understanding that as a fast track, the owner is responsible for scheduling inspections for the work being done and the inspector may require modifications to the work that has been completed if it does not meet code.				
5) This is NOT an approval for an additional dwelling unit. You SHALL NOT add any additional kitchen equipment including, but not limited to items such as stoves, microwaves, refrigerators, or kitchen sinks, etc. Without special approvals.				
6) This permit is being approved on the basis of plans submitted. Any deviations shall require a separate approval before starting that work.
