RE: 16 unit Condominium Project

To whom it may concern:

Kevin O'Rourke and his related companies are well known to Camden National Bank. I have worked with Kevin for more than 5 years and have been directly involved in the financing of successful projects. With the expected financial contribution from Kevin and Bank financing that we will be entertaining, there is expected to be sufficient financial capacity to successfully complete the proposed project. We are looking forward to more substantive conversations as the project materializes.

Please feel free to contact me should you need any additional information, I can be reached at (207) 930-3909.

Sincerely,

Paul Doody

Vice President

Camden National Bank
