

Section H - Technical Capacity

Acorn Engineering, Inc. and Ryan Senatore Architecture have successfully permitted and engineered over 20 level II/III projects in Portland in the past 5 years, many of which have been constructed. Some examples include:

- Eldredge Lumber Expansion
- 127 York Street – Harborview Townhomes
- Munjoy Heights
- 89 Anderson St. – East Bayside Lofts
- 667 Congress St – The Hiawatha
