Subject: Munjoy Heights - January 17, 2014 Condition of Approval Compliance Letter

Hi Jean.

I have had a chance to review the Munjoy Heights January 17, 2014 Condition of Approval Compliance Letter from Acorn Engineering, along with the follow-up email containing correspondence from the Portland Water District. I find that all open comments from Woodard & Curran's December 6, 2013 review memo have been adequately addressed.

I have not reviewed the Stormwater System Maintenance Agreement in detail, I understand that City staff (Doug and legal) often review these documents. Let me know if you need any further assistance.

Thanks
Dave
