Attn: William H. Savage, P.E.
Re: Munjoy Heights; Sheridan Street, Portland
Plan Approval

Dear Mr. Savage:

The Portland Water District has received the updated Utility Plan for the Munjoy Heights project at Sheridan Street in Portland. All previous District comments have been incorporated into the design and this plan has been approved for construction contingent on conveyance of an easement. Please provide any updated plans, should changes impacting the water infrastructure occur before construction. The District will complete all paperwork and agreements necessary for the water main extension upon request.

If the District can be of further assistance in this matter, please let us know.

Sincerely,
Portland Water District

Glissen Havu, E.I.
Design Engineer
