RE: Property at 122 North Street

Dear Josh,

We wanted to notify you that we are planning a home renovation to begin sometime in June. The first phase of the project will involve demolishing the existing garage, which will be replaced by a new structure (also a garage) measuring 24.0'W x 28.0'D x 20'H. Phase two will involve building a sunroom where the back porch is currently. The entire project should be completed by September.

If you have any questions or concerns, feel free to contact either of us.

Thank you,

Peter & Mary
