Dear Mr. Senatore,

This letter is to confirm that a representative of Structural Integrity has visited the above referenced site to observe the foundation, steel, and wood framing for the new apartment building at this location.

Based on our observations and reports from special inspectors, and instructions to the contractor, we are of the opinion that work has been completed in substantial conformance to the construction documents.

Please do not hesitate to call with any questions or if I can be of further assistance.

Sincerely,
