Subject: Sprinkler System Inspection, 89 Anderson St. Portland

Dear Matt,

This agreement is for the inspection and testing of the fire protection system, related equipment and devices located on the premises known as, 89 Anderson Street Portland, Maine

Freedom Fire Protection, Inc. shall inspect and test one (1) wet system, equipment and devices.
Freedom Fire Protection, Inc. shall inspect and test one (1) dry system, equipment and devices.
Freedom Fire Protection, Inc. shall inspect and test one (1) standpipe system, equipment and devices.

Freedom Fire protection, Inc. shall inspect said sprinkler systems four (4) times per year.

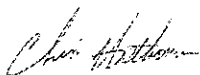

Written reports will be completed and sent to the subscriber after each inspection.

The inspection will be performed in accordance with the requirements as outlined by the National Fire Protection Association (NFPA-25) and according to the recommended procedures of the manufacturer. This agreement is limited to an inspection and testing only and does not include maintenance, repairs, alterations or replacements. Upon request, maintenance repairs, parts or alterations will be provided at an additional charge based on prevailing time and material rates of Freedom Fire Protection, Inc.

Our price to perform the sprinkler system inspection as outlined above is FOUR HUNDRED FORTY DOLLARS (\$440.00) per annum.

Thank you for the opportunity to quote this inspection and we look forward to working with you. Should you have any questions regarding this proposal please feel free to contact us at the above telephone number.

Sincerely,

Chris Hotham
