Dear Neighbor:

I am planning renovations to our building at 131 Washington Avenue. As part of this work, the middle portion of the building, the ell connecting the two buildings, will be demolished and rebuilt. I expect this work to begin sometime in January of 2016. I'm notifying you in advance as required by the City of Portland.

The work will be completed by Papi and Romano Builders, in accordance with all applicable codes and zoning standards. If you have any questions, please feel free to contact me.

Best Regards,
