RE: 105-107 Washington Avenue and 152-156 Sheridan Street (the "Property")– 012-P-013, 016, 017, 018, 019, 020, 021, 029 - B-2b Zone

Dear Attorney Clough,

I am in receipt of your request for a determination letter concerning the Property. The entire Property is located within the B-2b zone and does not abut a residential zone. My determination is based upon a survey performed by David E. Titcomb of Titcomb Associates and dated July 19, 2002 called job #202048.1, Revision # 9 dated 8/13/13.

I have reviewed the proposed conveyance of land fronting on Sheridan Street and the remaining developed property fronting on Washington Avenue. Both lots meet or can meet at the time of development, all the B-2b dimensional requirements. The proposed land conveyance will not violate the City of Portland's Land Use Zoning Ordinance.

If you have any questions regarding this matter, please do not hesitate to contact me at (207) 874-8695.

Very truly yours,

Marge Schmuckal  
Zoning Administrator  
City of Portland, Maine

Numbers shown are derived from plan reference 17.

12-P-17 & 21

Marge:

On behalf of A&M Partners LLC, I am writing to request a zoning determination letter for the proposed transfer of a 0.17 acre (10,502 sq. ft.) parcel with 116.59' of frontage and approximately 69 feet of depth located at 152-156 Sheridan St. from a larger 1.30 acre (56,690 sq. ft.) parcel owned by A & M Partners LLC. The larger parcel was acquired by two deeds, one recorded at 2507052 and the other at 14581/99 bounded by Washington Ave, Sheridan Street, and various abutters, per the enclosed survey.

The parcel to be conveyed is currently unimproved.

The retained property is known as 105-107 Washington Avenue. The retained property will have 257' of frontage on Washington Ave, multiple parking spaces including parking used by the tenants located in the former JJ Nissen bakery building, and a 4,800 square foot office building occupied by the State of Maine.

I believe this property received site plan approval in 2005 for parking use and later for the office building. I believe it is in the B2-b zone.

The City's tax maps do not reflect the assembly of this property over the years, and I believe the property as a whole consists of 7 different tax map parcels

The enclosed excerpt from the City's GIS map shows the location of the property to be separated out, which is very steeply sloped.

I have circled on an attached copy of survey the parcel to be split off.

By copy of this letter I am asking Andrea Girard to get you the \$150 fee. The survey is being tweaked and I will arrange for you to get a paper copy

Thanks. Please call if you have any questions

August 13, 2013, job #202048.1, file #8500. The above described parcel contains 10,502 square feet. Bearings are based on Magnetic North 2002.

Excepting and reserving to the Grantor, its successors and assigns, the remaining portion of said Parcel 3 and also excepting and reserving a perpetual easement ten feet (10') in width running along the westerly sideline of property herein conveyed abutting the Grantor's retained property for the deposit of snow and ice removed from the Grantor's retained property and for the entry on said easement area on foot and with vehicles and machines, which easement area is bounded and described as follows:

Beginning at an iron pin set at the northwesterly corner of the property herein conveyed and a corner of the retained land of the Grantor herein:

Thence running N 76° 31' 29" E by the northerly sideline of the property herein conveyed a distance of 10.06 feet to a point;

Thence running S 07° 05' 05" E a distance of 142.37 feet to the southerly sideline of the property herein conveyed;

Thence running S 59° 40' 28" W by the southerly sideline of the property herein conveyed a distance of 10.88 feet to a point;

Thence running N 07° 05' 05" W by land of the Grantor herein a distance of 145.54 feet to the point of beginning.

WITNESS its hand and seal on \_\_\_\_\_, 2013.
