Jeanie,

Thank you for your assistance as we prepare the site plan and building permit applications for the shipping container project located at 93 Washington. The Container Project located at 93 Washington Avenue is designed in accordance with IBC 2009 Section 705.3 'Buildings on the same lot', the adjacent property located at 105 Washington Avenue is owned by the same owner, Cotton Street Holdings, LLC, as the lot at 93 Washington. The lots are contiguous parcels and will remain this way for any future development. No further development will occur on the 105 Washington Avenue lot while the containers exist on the adjacent lot.

Please feel free to contact me or Ryan if you have any additional questions.

Best Regards,

Jed Harris
