To: Building Inspections &lt;buildinginspections@portlandmaine.gov&gt;

Attached are updated files for Permit 2016-02372 which has gone through intake but not started review. Note that I have included an updated permit application to reflect the changes and the cost is \$20K higher so you will need to invoice me for the now higher cost project.

Please call or email if you have any questions.

Regards,  
Jed Harris
