

7. Solid Waste Disposal

Per City requirement, all solid waste generated by the five (5) retail units will be collected by a private, authorized collector and not collected by the city. The landowner, or their property management company, shall be responsible for contracting with a solid waste company

The solid waste and recyclable material are to be stored in the designated space as noted on the Site Plan (C-10). The solid waste containers will be fully enclosed and screened from the public view.
