Automatic Fire Sprinkler Compliance Letter

Dear Mr. Romano,

This letter serves as Dean & Allyn's statement of compliance regarding the design and installation of the automatic fire sprinkler system for the referenced project. All work provided was done in accordance with the requirements of NFPA and local & state codes.

The subject work primarily involved the design and installation of wet automatic fire sprinkler suppression per NFPA 13R-2016.

The system will be left in service upon completion of the project.

Thank you,

**Dean & Allyn, Inc.**
