To Whom it May Concern,

The letter verifies that the work performed under Building permit # 201246880 issued by the City of Portland at the above address has been completed, however the incomplete site work must satisfy the DRC for issuance of a TCO or C of O. Inspections have been recorded and the work appears to be in accordance with the applicable code requirements. This does not certify that the property is free of building code violations.

If you have any questions, feel free to contact me at this office.

Sincerely,
