Comments:

4/5/2010-jmb: Several inspections have been ongoing for compliance with previous violatoin notices. The 2nd floor became vacant and issues with the configuration of the egresses through the retail space and lack of egress windows in the bedrooms along the driveway side. These have been resolved and Keith G. And I agreed a door should be installed to exit onto the shed roof which will connect with this stair and ramp to grade. Jim M. Called today with questions on how this will connect, he will speak with the architect to submit the details.

4/20/2010-jmb: Jim M. Submitted revised plans, routed to fire

4/30/2010-jmb: Spoke to Jim M. About the 12' height to grade, he thinks it is less, but will notify if more and may have to do an intermediate landing, ok to issue

12/17/2009-jmb: I reviewed again and called James M.(contractor) with list of issues. He will contact the architect to revise. Also discussed with Ben W. Including conditions prohibiting 3rd floor occupancy, this stair does not affect the approval of the new unit, and the plans for addressing the separation issues for the CO of the mercantile/2nd floor dwelling from the previous notice shall be submitted and approved with this permit. Could not get through to Abdul at 899-5818, left vcmmsg for James M. To call. James called back with a new contact # for Abdul 210-9580.

12/21/2009-jmb: Spoke with James M. And reviewed the items from the NOV sent 3/16/09 of which items 1, 4, 5, 9 and 10 have been corrected. This permit will be required to address the remaining violations and plans shall be submitted for approval of this work. James has not been able to contact Abdul, will inform if so.
