

1-13-12 Permit is on hold. Spoke to Michelle Kelley. Brad her asked her to send the method of attachment information. Can only have one sign. She wants a sign on the side of the building indicating the entrance. I told her she could have an incidental, directory sign but it couldn't advertise Silly's. The Maximum square footage allowed is 33 sf. Need a picture of the sign and the material it is made out of. Need certificate of liability. -amachado
