Hello Tori,

Thank you for your prompt response to the application. The fire suppression system permits will be submitted by the contractor installing them. Do these need to be submitted now?

The cost of just demo. and the new Bath would go down to \$25,000. I wasn't including the hood system, but did include in the 40k all painting and finish work, such as refinishing floors and the stainless steel wall panels.

Thanks,

Michael Chestnutt | cjab.me
