

Plan of
Action.

Sept. 24, 2006

Dear Sirs:

In regards to conversation on Sept. 20, we would like an extension of time to install one fire door by Nov. 1. The remaining fire doors will be installed by July 1, 2007. We are retired, living on fixed income, and need to spread the cost of this work over time.

Respectfully Yours
Robert J. & Frances H.
