Re: 93 Rear Cumberland Ave.

Dear Kristine Kurro,

This letter is to memorialize our discussion regarding allowing you to have access to 93 Rear Cumberland Avenue (the "Property") in order to store some personal items on the Property. After review of your request, the City hereby agrees to allow you limited access to the Property in order to store limited personal items as long as the storage of said items does not become a fire hazard.

As you know, there exist numerous violations on the Property, and it is posted against occupancy. See attached violation notices and posting notice. You understand that these violations need to be remedied before you can occupy the Property. You have indicated that you do not intend to address these violations at this time due to financial feasibility. Consequently, you have agreed not to occupy the Property until all of the violations are remedied.

Thank you for your time and attention to this matter.

Sincerely,

George Froehlich
Code Enforcement Officer
