

**APPLICATIONS FOR THE R-102  
FIRE SUPPRESSION SYSTEM**

- Catering facilities
- Cafes
- Cafeterias
- Casual and fine dining restaurants
- Convenience stores
- Delis
- Diners
- Fast food chains
- Food courts
- Food trailers and trucks
- Hospitals
- Hotels and casinos
- Sports complexes and stadiums

**Extensive Features and Approvals**

The R-102 system features an aesthetic stainless steel enclosure to complement the kitchen design, ease of recharge and post-fire cleanup, reliable gas cartridge operation and a five-year limited warranty. A flexible agent distribution hose allows appliances to be moved for cleaning purposes without disconnecting the fire suppression system piping. The system is UL/ULC listed; CE marked; COA, LPCB, TFRI, MED, DNV, ABS and Lloyd's Register approved and meets NFPA 96 and NFPA 17A requirements.

**The Ultimate Fire Suppression Solution**

The ANSUL brand promises a full range of quality fire protection solutions – from automatic detection and suppression systems to a complete line of wheeled and hand portable fire extinguishers and more. Plus, our extensive network of Authorized ANSUL Distributors provides factory-trained professionals to serve our customers virtually anywhere in the world.

**A Passion for Protection**

Dedicated customer support. Extensive product portfolio. Engineering excellence. Trusted, proven brands. Tyco Fire Protection Products offers all of these attributes, plus a passion for protection. It's what drives us to create solutions to help safeguard what matters most – your valued people, property and business.
