Chief Electrical Inspector
City of Portland, Maine

Mike,

This permit is regarding the service that our electrician, Jim Malonson, spoke to you about.

At that time you gave him permission to replace the panel only at this complex. We will also drive and connect grounding electrodes if they are not currently installed.

Thank you for your consideration in this matter.

Sincerely,

Roger Burleigh

P.S. Please inspect on 9/12/08 around noon.
Thanks _____
