Mark -

I'm sorry that I did not get back to you sooner. I appreciate you reaching out to us and letting us know that you are working on the change of use permit. The Notice of Violation was issued on August 31, 2017, so the permit should be submitted by October 2, 2017 since September 30, 2017 falls on a Saturday. Has Brewster Buttfield told you when he thinks that he will have the plans completed by? Why don't you email me around September 27, 2017 if Brewster has still not finished the plans. At that point we can talk about a possible extension of the thirty day period.
