Re: Sprinkler System Compliance for Penscoe Apartments

High Tech Fire Protection has provided a new fire sprinkler system throughout the Penscoe Apartment located at 42 Lafayette Street in Portland ME. The system consists of a wet pipe sprinkler system protecting the entire structure.

High Tech Fire Protection hereby guarantees the design, materials and workmanship for the Penscoe Apartment Project to meet the requirements necessary for an approved NFPA #13D Automatic Fire Sprinkler System per State and local authority. Approved drawings for this project are filed with the SFMO under permit # FSP13367.
