

City of Portland, Maine
Memorandum

To: Marge Schmuckal, Zoning Administrator

cc: Project File

From: William C. Tracy, Housing Coordinator ^{WCT}

Subject: **Verification of Legal number of Units**
91 Congress Street

Date: November 20, 1997

.....

On 10/2/97, we requested information regarding the legal number of units for the above referenced property as the owner has submitted an application for assistance through the City's housing programs. If you could let me know when to expect this information it would certainly be appreciated.

I believe I already gave this to the Ex-Debbie
Johnson

because the file looks very familiar —

There is a confirmation letter in the file showing
a legal use of 3 units
