Re: Demolition of Existing Structure at 9 Merrill Street

To Whom it May Concern,

We are the new owners of 9 Merrill Street and are writing to inform you of our plans to demolish the existing structure during the week of September 4, 2017. The demo process and clean up should be done within two to three days and we hope to limit any disturbance to the neighbors.

We will connect again on future plans for the property once they are ready, but in the meantime please contact us if you have any questions or concerns about the demolition timing or process.

Sincerely,
