RE: Property: 21 Quebec Street, Portland, ME 04101 – R-6 Zone – 14-G-9 & 11

To Whom It May Concern:

This letter concerns the proposed partial release of the mortgaged property at 21 Quebec Street that was requested by Lisa Bonarrigo. This proposal will not violate any applicable zoning codes that are now in effect; nor will it adversely impact the ability to convey the property. The City of Portland Assessor's office recognizes the property as two described lots, and identifies them as (chart-block-lot) 14-G-9 and 14-G-11.

Sincerely,

Marge Schmuckal
Zoning Administrator
