Hi Thomas,

I've started review of your condo conversion permit and had one question. How long have the two existing units been vacant? Do you know the approximate date each unit last had a tenant?

Thanks,  
Chris

Hi Chris,

There was only two units, which have been vacant for about a year. There were no leases in place for the prior tenants. I had given them several months notice and worked out great.

This email was sent from my iPhone, please excuse any grammatical errors!
