Dear Neighbor,

Hello! We are your new neighbors at 40 Quebec Street. We are looking forward to being part of the neighborhood.

We have not moved in yet, however, because we have been planning some major construction. We will be taking down the current house, and building a new one. This work will start either this Fall or next Spring. We will of course direct our contractors to do everything possible to maintain a clean and safe worksite, and to minimize any possible inconvenience to you.

We wanted to notify you and open up a line of communication. You can reach us either at 203 415 0578, or by email at katejhowe@gmail.com. When we have further details as to timing, we'll let you know.

Best regards,

Kate Howe & Matthew Murrell
