Dear Linnette,

We spoke recently regarding our project at 33 Turner Street which is next to Eastern Promenade Apartments. I met with Dean Goodale to look at the trees that will need to be removed between the properties. As required by the city this letter is to give you notification that the garage at 33 Turner Street will be demolished in order to prepare for building the new addition. I will contact you again closer to the time of the demolition and tree work so you can inform the residents. Please feel free to contact me with any questions or concerns.

Thank you,
Ian Smith
